

Arise, cry out in the night, as the watches of the night begin; pour out your heart like water in the presence of the Lord.  
Lift up your hands to him for the lives of your children, who faint from hunger at the head of every street.

Lamentations 2:19

# Arise! Cry out!

A worldwide Day of Extraordinary prayer for our children and schools

New Zealand will start this wave of prayer and other countries will join as they begin the day in their homelands.

see if there is one at a venue near you!

Oct 9th - 10th, 2009, Mothers from all over the world joined together in San Diego USA, to celebrate 25 years of Moms In Touch International. This ministry is about praying for our children and the schools they attend. MITI now stretches out over 120 countries in the world. God is changing the lives of our children as mums commit to praying for them each week! Schools are being effected because we continue to cry out for Gods plan to prevail in our education system and institutions.

**To CELEBRATE** we have 2 venues in **New Zealand** where we will be holding our very own Arise Cry Out prayer time as are many other cities and countries in the world!
